LB 23, 374

is not violative of the Constitution, not violative of anybody's rights. Then make sure that the language chosen states what the intention or purpose of that language is. And the way to do that is to get away from these terms that are ambiguous or susceptible of differing definitions. And with partial-birth abortion, that is what we have. And I know my time is out, so I will...

SPEAKER WITHEM: Thank you, Senator Chambers. The agenda, at this time, indicates that at 11:50 we will deal with the bills on Select File that currently do not have active amendments pending on them. There are three other speakers on this amendment. There are two other amendments, I believe, pending...or at least one other amendment pending to the bill, so we're in a position where we could easily dispose of those and get to a vote on the bill, we might delay it. But it appears as though we're not in that position. So, the bills that I see listed on the agenda that currently do not have active amendments pending are LB 374, LB 255, LB 255A, LB 588, and LB 588A. Mr. Clerk, will you bring up LB 374, please.

CLERK: Mr. President, 374 enrollment and review amendments, Senator Bruning, first of all.

SPEAKER WITHEM: Senator Bruning.

SENATOR BRUNING: Mr. President, I move we adopt the E & R amendments for LB 374.

SPEAKER WITHEM: You've heard the motion. All those in favor of adopting the E & R amendments to LB 374 say aye. Opposed. The E & R amendments are adopted. Mr. Clerk.

CLERK: Senator Preister, you had an amendment that I understand you want to withdraw, Senator.

SENATOR PREISTER: That's correct.

SPEAKER WITHEM: It is withdrawn.

CLERK: Senator Beutler had an amendment that I have been instructed he wishes to withdraw as well, Mr. President.
